

F.A.I.T.H. FOR STUDYING

THIS GUIDE IS DESIGNED TO HELP YOU IN YOUR DAILY DEVOTIONALS TO MAKE THE BIBLE A LIVING PART OF YOUR LIFE. UTILIZING THIS GUIDE IN YOUR DAILY SCRIPTURE READING WILL CHECK YOUR FAITH, TEACH YOU TO APPLY THE BIBLE, INCREASE CHRIST IN YOUR VIEW, TEACH YOU THE TRUTH OF THE BIBLE, AND HELP YOU REMAIN HUMBLE AMONG GOD AND MAN.

F: How does this passage of Scripture affect your **faith**? Faith comes by hearing the word of God, but we cannot deny how each truth can affect our faith in different ways. Maybe this passage strengthens your faith, maybe it rocks your faith and makes you want to dive in to the scripture more to gain better understanding, maybe this passage makes you want to share your faith, or maybe it just makes you appreciate your faith. This is the area where you write down what the passage does for your faith.

A: How can you **apply** this passage of Scripture in your life? Is this a passage that needs to be put into action or is this something that becomes a passive expression? Does this passage of scripture require you to lie something at Jesus feet or does it require you to accept the service He has assigned us? This is the area where you write down the application of this Scripture in your life.

I: How does this passage require **Christ** to be **increased** in your life? Does His increase have to come through your decrease or by your willingness to step out of yourself and intentionally put Him on the pedestal where He belongs? Does Christ increase in your life from this passage by changing your approach to a situation or the way you pray about something for His will and not yours? This is the area where you write down how Christ is to be increased in your life.

T: What **truth** is there to be gained from this passage? All scripture is 100% true and accurate. What is the truth here that helps you to become more knowledgeable about the Scripture you are reading? What is the context of this passage so you aren't tempted to make it fit into another context? How does the truth of this passage relate to your life's current situation? This is the area to acknowledge the truth of Scripture!

H: How has this passage **humbled** you? Does this passage require you to be more humble among people? Does this passage of scripture require you to be more humble before Jesus? How does this passage of scripture make you view your own humility in relation to others and most importantly in relation to Jesus? This is the area to take note of the humility required from this passage.
